Zimmer Biomet

Meet Our Speaker...

Dr. Robert A. Levine maintains a private practice in Philadelphia at the Pennsylvania Center for Dental Implants and Periodontics. He graduated from Temple University School of Dentistry in 1981, received his post-grad certificate in Periodontics from the University of Pennsylvania in 1984 and is presently a Clinical Professor in Post-Graduate Periodontics and Dental Implantology at the Temple University Kornberg School of Dentistry, a Clinical Assistant Professor at the University of North Carolina School of Dentistry at Chapel Hill and an Adjunct Clinical Assistant Professor at the University of Illinois College of Dentistry at Chicago.

Dr. Levine is a Diplomate of the American Board of Periodontology, Fellow of the College of Physicians in Philadelphia (FCPP), President-Elect and Fellow of the International Society of Periodontal Plastic Surgeons (FISPPS), and a Fellow of the Academy of Osseointegration (AO). He has lectured extensively both nationally and internationally and has or presently serves on the Editorial Boards of numerous international scientific dental journals (including *International Journal of Oral & Maxillofacial Implants*, *Journal of Periodontology*, *International Journal of Periodontics & Restorative Dentistry*, *Clinical Implant Dentistry & Related Research* and *Compendium*) and has authored close to 90 publications and 4 book chapters. He is also a Fellow of the International Team for Implantology (ITI) of Basel, Switzerland and was invited to participate in the 4th, 5th, and 6th ITI Consensus Conferences to establish treatment protocols for implant dentistry worldwide. Dr. Levine also shares his knowledge and 37 years of clinical experience with periodontal, prosthodontic, and general practice residencies throughout the United States and abroad as a visiting professor and mentor. He presently leads a clinical research team with Dr. Mauricio Araujo from University of Maringa, Brazil, and Temple University on a series of retrospective studies on immediate implant placement in the maxillary central incisor region which he treated in private practice.

His family runs the *Growing Smiles Foundation* which has treated children and adults in low-income areas in Lima, Peru for six years prior to COVID which was coordinated and run by his daughter, Dr. Bari Levine, a pediatric dentist with dental students and faculty from Temple University and UPC Dental School in Lima, Peru. His hobbies include Civil War Reenacting (since 1994), civil war battlefield preservation and playing in the 69th Pennsylvania Irish Volunteers Band with Musical CD Credits: "Rock of Erin" (2002) and "In Their Honor" (2006), and Movie Credit: "Placebo" - Anomaly Films (2008) winner of the 2009 Festivus Film Festival for best Cinematography (Denver, CO). He also enjoys playing tennis, spending free time with his wife Sheryl (a pediatric dentist), two children and five grandchildren.

Meeting Highlights...

Dr. Robert A. Levine

NSU/UF Senior Residents' Presentations

FAP Welcome Reception

FAP Business Meeting/Luncheon

A Variety of Exhibitors

www.FloridaPerio.org

Meeting Schedule:

Friday, February 11, 2022

1:30pm-5:00pm 17th Annual NSU/UF Presentations 3.5 CEUs
Support the Third Year Residents!

5:00pm-6:30pm FAP Welcome Reception

FAP reserves the right to change the meeting schedule as deemed necessary.

Saturday, February 12, 2022

7:00am-8:30am Registration/Light Breakfast/Visit Exhibitors
8:00am-8:45am Tentative Corporate Forums
9:00am-10:30am Dr. Robert A Levine
10:30am-11:00am Break/Visit Exhibitors
11:00am-12:30pm Dr. Robert A Levine
12:30pm-1:30pm FAP Luncheon/Business Meeting
1:30pm-2:30pm Dr. Robert A Levine
2:30pm-3:00pm Break/Visit Exhibitors
3:00pm-4:00pm Dr. Robert A Levine

Continuing education vouchers will be distributed at the conclusion of each lecture.

Course Descriptions:

Friday, February 11

AN FAP TRADITION AND MEMBER BENEFIT!

17th Annual Senior Residents' Day

1:30pm-5:00pm 3.5 CEUs
Nova Southeastern University/University of Florida

You are invited to attend and support the NSU/UF Senior Residents as they present their case studies. An interesting and informative afternoon.

Saturday, February 12

Corporate Forums (Tentative) – Visit FAP website for more information.

8:00am-8:45am 1 CEU each

Dr. Robert A. Levine - Predictable Evidence-Based Diagnostic and Surgical Procedures to Ensure Long-Term Clinical Success: A Periodontal Plastic Surgeon's Perspective

9:00am-4:00pm 5 CEUs

Register your dental team members/referring dentists!

A Periodontally Centered Morning Program

Dr. Levine will cover various aspects of diagnosis, treatment planning, and surgical treatment using his 37 years of clinical and teaching experience using the "Team Approach." The morning program will be periodontology-centered and will include case planning and treatment techniques which improve case acceptance. Thorough clinical documentation is a vital component of his "team communication" and success in case presentations to his internet-savvy patients. The topics to be covered include "predictable" evidence-based treatment protocols including the management of advanced periodontitis, the Miller-McEntire Periodontal Prognosis Index (MMPPI) outlining the benefits of its use, as well as Piezosurgery-assisted surgical procedures including ridge preservation, Ti-mesh, bioactive biologics, and laser therapy. In addition, soft tissue grafting using CTGs, acellular dermal matrix and collagen-based products for "phenotype conversion" will be shared. Focus will be on patient acceptance and patient-reported outcome measures (PROMS) which we daily experience in our practices as positive "Google Reviews."

Safety First!

The FAP is concerned for the well-being of all of our meeting participants. We will be following all current safety guidelines as presented by the venue, county, state, and CDC. We thank you for your patience and understanding as we strive to make this not only a great meeting...but a safe meeting!

ATTENDEES:

Bring your office shopping list and support our vendors! Place your orders at the meeting.

An Implant Centered Afternoon Program

Dr. Levine will address the close interaction of the periodontist with the restorative dentist and the dental laboratory in achieving optimal esthetic outcomes and reduced patient morbidity. Dr. Levine will emphasize the "Team Approach" involving careful diagnosis and management of soft and hard tissues and their appropriate sequence in therapy when insufficiencies exist. Treating patients comprehensively in complex prosthetic and esthetic reconstructions from immediate single tooth provisionalization to full arch immediate loading which he has been performing since 1994 ("SameDay Smile") will be discussed. Practice management techniques will also be addressed for improving case acceptance and how the "Team Approach" can make this process seamless, successful, and personally rewarding. The "10 Keys for Successful Esthetic-Zone Single Immediate Implants" suggest that a team protocol, if strictly followed sequentially, would provide high predictability in preventing implant complications. The proposed "10 Keys" clinical checklist, confirmed in 4 CBCT/Clinical patient studies, ensures high esthetic success rates and happy patients (based on PES/WES and PROMS). Lastly, 4 future publications relating to the "10 Keys" that Dr. Levine is co-authoring with Drs. Mauricio Araujo, Debora Dias, and Ping Wang (University of Maringa, Brazil and Temple University) on a series of retrospective single tooth immediate central incisor implants from Dr. Levine's practice will be reviewed. Recent Compendium publications (2017, 2018, 2021) co-authored with Dr. Jeff Ganeles on the "10 Keys Concept" will be presented.

Course Objectives

- Review the various "predictable" surgical techniques and goals of implant site development using a prosthetically-driven approach for ridge reconstruction with their benefits and limitations.
- Describe the use and benefits of the MMPPI in clinical practice which aids in case acceptance.
- Discuss soft tissue management that includes various oral plastic surgical procedures as pre-prosthetic procedures and its importance for maintaining esthetics
- Recognize the benefits of the use of a unique collagen matrix to increase the zone and thickness of attached keratinized gingiva and the use of a new volume-stable collagen matrix to augment soft tissue thickness around teeth and dental implants and its important role in "phenotype conversion."
- Understand the principles of the "10 Keys to Esthetic Zone Success for Single Immediate Implants" (Compendium Cont Ed Dent 2017: RA Levine, J Ganeles, L Gonzaga, H Randel, JYK Kan, CD Evans, ST Chen) from single tooth to full arch immediate loading protocols.

You're Invited

FAP WELCOME RECEPTION
Friday, February 11th 5:00pm - 6:30pm
Exhibit Area

Orlando Hilton – February 11-12, 2022

\$179.00 per night. 50% off of self-parking, no discount for valet.

Reserve your room soon. Room block expires January 22, 2022.

Reserve online at www.floridaperio.org or call:

407-313-4300 – Mention Florida
Association of Periodontists (FAP)

Set over 26 lush acres, Hilton Orlando is near the major parks, minutes from International Drive. The resort offers seven options, from fine dining at Spencer's to leisurely lunch at Tropics Pool Bar & Grill. There are two pools, a lazy river with cabanas, a waterslide, sports courts, and an expansive spa. Bring your family!!

NEXT FAP MEETING:

August 12-13, 2022

Location:
Margaritaville Resort,
Kissimmee, FL

MORE INFO SOON!

FAP 2022 WINTER MEETING - REGISTRATION FORM

February 11-12, 2022 • Orlando Hilton

Name _____ Email _____

Address _____

City _____ State _____ Zip _____ Telephone _____

– EARLY REGISTER FEES –

_____ I am a member of the FAP. No fee for Dr. Robert A. Levine/Corporate Forums/FAP Business Meeting & Luncheon.

_____ I am a retired FAP member: \$50.00 registration fee includes Dr. Robert A. Levine/Corporate Forums/FAP Business Meeting & Luncheon.

_____ Non-member periodontists: \$300.00 includes Dr. Robert A. Levine/Corporate Forums/FAP Business Meeting & Luncheon.

_____ Referring Dentists (non-periodontists) \$150.00 – includes Dr. Robert A. Levine/Corporate Forum/FAP Business Meeting Luncheon

Name of Referring Dentists: _____

_____ All Dental Team Members (non-dentists, non-periodontists) \$35.00 – includes Dr. Robert A. Levine/Corporate Forums – *Lunch on their own.*

Name of Team Members: _____

Late Registration Fees from Feb. 3-8, 2022 – Add \$50.00 to above fee schedule.

_____ YES, I will be attending the NSU/UF Residents' Presentations on Friday, Feb. 11th

_____ YES, I will be attending the FAP Welcome Reception on Friday, Feb. 11th, 5:00 p.m. – 6:30 p.m.

_____ YES, I will be attending the Business Meeting Lunch Saturday, August 12th, 12:30 p.m. – 1:30 p.m.

Only those indicating by checking above will be given a lunch ticket. Please, if you commit to attending lunch, we ask that you do stay for the luncheon and business meeting.

If you need a vegetarian option for Saturday luncheon check here:

Return Registration Form to:

Florida Association of Periodontists • P.O. Box 7075 • Wesley Chapel, FL 33545

Visa, MasterCard, Discover and American Express are now accepted – Checks payable to FAP.

Questions: (352) 232-6800 or email: fap@tampabay.rr.com Fax: (813) 388-6098

Using a Credit Card? Please provide the following information:
