Dear Valued Vendor,

The 2024 Florida Association of Periodontists (FAP) Summer Meeting was a tremendous success due to outstanding speakers and our collaboration with vendors and sponsors who go the extra mile for our organization. We truly cannot do it without our exhibitors, and I want to personally invite your company to the upcoming 2025 FAP Winter Meeting. The FAP has secured an incredible speaker, Dr. Michael Norton, traveling from the United Kingdom to present to our members and guests. This meeting also highlights University of Florida and Nova Southeastern University third-year residents presenting their knowledge and research to our meeting attendees. I am looking forward to this amazing meeting and I will see you in Orlando, February 7-8, 2025.

Michael R. Tesmer, DMD, MS
