

# FAP News

WINTER 2018

## Presidential Message Patrick T. Johnson, D.M.D.

As we come to the close of another year, it's a good time to look back and appreciate all that we have to be thankful for. No, this is not a Hallmark card but

I have truly enjoyed the opportunities I've had while serving this past year as FAP president. There is some relief in knowing that the ground work for next year's events has already been laid and I look forward to seeing them come to pass. The FAP Executive Council has been hard at work planning and preparing to make sure we continue to provide you with enjoyable and entertaining educational opportunities that you have come to expect. Along with the new year will come a change in leadership. Dr. Rodrigo Romano will be your incoming president. He is very active in organized dentistry at both the state and national level, and I have no doubt, he will represent us well.

The FAP is and will continue to be a mechanism for us to come together to discuss important issues that we as periodontists continually face. It is important that we stay organized and continue to be part of the solution. At the national level, the AAP recently voted not to continue its mandate that its members maintain membership in the American Dental Association (ADA), and therefore Florida Dental Association (FDA) and your local component (tripartite membership). It is effectively optional now for our members to maintain status in both organizations (ADA/AAP). I hope we all realize how important it is to maintain our relationships with all of the dental community by maintaining our membership in the ADA/FDA. I encourage everyone to participate at whatever level they feel comfortable. Our specialty requires continued advocacy and specialty learning to remain strong.

Before I close, I would like to encourage everyone to attend our upcoming 2019 Winter Meeting to be held at the Tampa Airport Marriott on February 8-9, 2019. The 3rd year periodontal residents from both NSU and UF will be presenting Friday morning. Following the Resident's presentations, a hands-on lecture will be held by Dr. Daniel Thoma, who is also the keynote speaker for Saturday's program. The hands-on course will cover "Modern Soft Tissue Management with Applying Autogenous Transplants and Soft Tissue Substitutes." The Saturday program will deal with "Designing a Connective Tissue Graft Alternative from Scratch: Perspective from Prototype to Three Year Clinical Follow-Up." Please plan on attending. I look forward to seeing you in Tampa.

## Perio Program Updates

### NOVA SOUTHEASTERN UNIVERSITY

On June 20, 2018, four residents successfully graduated from our program. Dr. Bashar Adeinat, Dr. Dana Al-Hashimi, and Dr. David Garazi are working in private practice in Florida. Dr. Kanika Bembey is working in private practice in California. All those previously listed (from Class of 2018) successfully passed the American Board of Periodontology Written Examination.

The Residents successfully presented various research posters at the American Academy of Periodontology Annual Meeting as well as the Academy of Osseointegration annual meeting.

Drs. Kyle Deluca, Sausha Toghranegar, Mehdi Garashi, and Valentina Mata (Class of 2017), successfully passed the American Board of Periodontology Oral Examination and are now Diplomates.

We are welcoming our first-year residents: Drs. Eric Jimenez, Jason Wong, Luana Zambrana, and Mohammed AlRubaie.

We also welcome adjunct faculty: Dr. Sawan Malik and Dr. Kyle Deluca.

Best Regards,

Dr. Theofilos Koutouzis, Director Advanced Specialty Education in Periodontology

Dr. Maria A Hernandez, Chair, Department of Periodontology  
Nova Southeastern University, College of Dental Medicine

### UNIVERSITY OF FLORIDA

The University of Florida Graduate Program in Periodontology is glad to announce that Dr. Tsuyoshi Tanaka has joined our group of clinical faculty members. Dr. Tanaka is a Board Certified Periodontist trained at Indiana University. We are also happy to announce that Drs. Christian Alvarez, Camille Medina, and Gabriela Vila have successfully completed their advanced training in periodontics and implant dentistry and Part 1 of the American Board of Periodontology Exam. We are also happy to welcome Drs. Ross Hauer, Erick Di Matteo, and Juliana Sardenberg as our new residents. We look forward to seeing our alumni and friends at the next FAP meeting.

Rodrigo Neiva, DDS, MS  
Graduate Program Director  
University of Florida College of Dentistry

# 2019 Winter Meeting

## Tampa Airport Marriott

### Friday, February 8

#### 14<sup>th</sup> Annual Senior Residents' Day

8:00 a.m. - 12:00 p.m.

Nova Southeastern University/University of Florida

4 CEUs

You are invited to attend and support NSU/UF Senior Residents as they present their case studies. An interesting and informative morning, an FAP tradition. No registration fee!

#### Modern Soft Tissue Management with Applying Autogenous Transplants and Soft Tissue Substitutes (Hands-On Workshop)

1:00 p.m. - 5:00 p.m.

**Dr. Daniel Thoma**

4 CEUs • **LIMITED TO 30 PARTICIPANTS**

*Sponsored by: Geistlich Biomaterials*

Workshop Learning Objectives:

- To recognize clinical indications for soft tissue grafting procedures
- To understand the role of autogenous tissue
- To understand advantages and disadvantages of soft tissue substitute
- To understand clinical indications for soft tissue substitutes
- To be able to choose the ideal flap design for the use of soft tissue substitute
- To understand the ideal dimension of a soft tissue substitute
- To be able to perform a clinical procedure for soft tissue volume gain at pontic sites and implant sites

**FAP Welcome Reception** • 5:00 p.m. - 6:30 p.m.

*(In the exhibitor area)*

### Saturday, February 9

#### Corporate Forums

##### Hard or Soft Tissue: When and Why Geistlich

8:00 a.m. - 8:50 a.m.

Dr Luiz Gonzaga, University of Florida Center for Implant Dentistry

*Sponsored by: Geistlich Biomaterials*

Millennium Dental Technologies, Inc.

*More info to follow!*

1 CEU (per forum)

##### Designing a Connective Tissue Graft Alternative from Scratch: Perspective from Prototype to Three Year Clinical Follow-Up –

9:00 a.m. - 4:00 p.m.

**Dr. Daniel Thoma**

5 CEUs

*Sponsored by: Geistlich Biomaterials*

- Abstract or Learning Objectives – Recent clinical data underline the importance of a sufficient mucosal thickness to provide healthy peri-implant tissues and favorable esthetics. A newly developed volume-stable collagen matrix provides similar outcomes with respect to soft tissue volume, but is associated with less morbidity and complications than autogenous grafts, thereby offering significant benefits for patients and clinicians.

### ATTENDEES:

*Bring your office shopping list and support our vendors! Place your orders at the meeting.*

## TAMPA AIRPORT MARRIOTT

***Reserve Your Room Today!***

- ✓ 4200 George J. Bean Parkway, Tampa, FL 33607
- ✓ Room rate: \$160.00 per night.
- ✓ To make a reservation call: 813-879-5151, mention the Florida Association of Periodontists or by visiting [www.floridaperio.org](http://www.floridaperio.org) for direct weblink.
- ✓ Self-Parking is \$16.00/per night, \$8.00 day visitor.

***Limited rooms at this rate. BOOK SOON, cutoff date is January 15, 2019.***

At this past summer meeting, Dr. Daniel Becker, a repeat FAP clinician, presented the well-attended “Procedural Sedation in Dental Practice – Essential Principles Revisited” on Friday. On Saturday, Dr. Barry Levin, sponsored by **Dentsply Sirona** spoke on achieving predictable stability with esthetic dental implant therapy.

Business Meeting Highlights (**August 11, 2018**): FAP Member and FDA President, Dr. Jolene Paramore, spoke on CODA and recognized the FAP membership for sending numerous letters on this issue. She briefly spoke on Medicare and the opioid course requirement. Dental therapists, though defeated last year, will be back and the FDA will stand firm. She thanked all those who testified on behalf of the profession during BOD meetings.

Dr. Paramore shared that on the Florida Dental Association’s Board of Trustees, 20% of BOT members are periodontists and on the FDA’s delegation to the ADA, 14% are periodontists.

Dr. Jim Antoon, FAP Past President, and now serving as FLA-MOM Co-Chair, spoke on the upcoming 2019 Florida Mission of Mercy (FLA-MOM) in Orlando, March 22nd and 23rd. He asked members to volunteer, donate, and to bring their dental team members.

Dr. James Wilson, AAP Secretary-Treasurer (now V.P.) recognized Dr. Jim Antoon and shared he was the FDA’s 2018 J. Leon Schwartz Award this year. Dr. Wilson said the best evidence consensus on lasers has just been released. He spoke on the proposed AAP

(L-R) **Dr. Patrick Johnson**, 2018-2019 FAP President, and Past Presidents: **Dr. Oscar Morejon**, **Dr. Jorge Ramirez** and **Dr. Gregory Oxford**

AAP Vice President **Dr. James Wilson** and **Marlinda Fulton**, FAP Executive Director.

New FAP Members **Dr. Camille Medina Cintron** and **Dr. Gabriela Vila**.

(L-R) **Drs. Adrian Abrahams**, **Jim Carazola**, and **Gregory Langston**.

**MEETING FACTS:**  
There were **122 Attendees**  
(this includes 18 team members)  
and **22 Exhibitors**.

# Meeting Review

Bylaws changes, particularly eliminating the requirement of being an ADA member to belong to the AAP. AAP membership will be voting on this issue in October. He encouraged everyone to attend the Vancouver meeting and while there to attend the District III meeting. Dr. Wilson thanked the group for voting in the AAP elections, Florida had the third highest amount, behind New York and California.

Perio PAC – Dr. Johnson reported the PAC has over \$32,000.00 and encouraged everyone to donate.

Dr. Jessica Stillely Mallah spoke on HB 21, the mandated opioid course. She explained the 3-day supply vs. the 7-day supply and stressed to not print or keep your E-Force information and if more than one provider in the office, do not share E-force accounts. She stressed to direct all questions to Casey Stoutamire at the FDA.

The FAP welcomed new members: **Drs. Camille Medina Cintron, Gabriela Vila, Krystal Reyes Viruet, Dana Walid Al Hashimi, and Sara Shah.**

*Due to popular demand the FAP will be back Loews Portofino Bay Resort at Universal Orlando™ for the 2019 Summer Meeting in August.*

University of Florida Perio Residents.

# 14th Annual UF/NSU Residents Presentations

## Outstanding Lectures – Earn CE

Join the University of Florida and Nova Southeastern University senior residents as they present their case studies on Friday, February 8, 2019, 8:00 a.m. – 12:00 p.m. This annual event is held in conjunction with the FAP Winter Meeting at the Tampa Marriott Hotel. Plan to attend, earn 4 CEUs at no cost, and show your support of these programs and residents.

*Please note, the titles of the following presentations may slightly change.*

### Presenting from the University of Florida:

- Dr. Wagner Duarte “Surgical and Restorative Approaches for the Treatment of Non-Carious Cervical Lesions and Gingival Recession”
- Dr. Bianca Newman “Management of Hard and Soft Tissue through Biotype Modification”
- Dr. Claire Rosebrough “Treatment Planning and Surgical Considerations for Reconstruction of the Atrophic Maxilla”
- Dr. Fred Silva “Clinical, Radiographic, and Histologic Comparison of Regular Mineralized and Tutoplast-derived Allograft for Alveolar Ridge Preservation”

### Presenting from Nova Southeastern University:

- Dr. Polly Huang “Tunnel Technique using Alternatives to CTG: A Minimally Invasive Approach to Treat Multiple Gingival Recessions”
- Dr. Abdulaziz Ali “Timing of Implant Placement in the Aesthetic Azone: Immediate, Early or Late”
- Dr. George Tolson “Soft and Hard Tissue Augmentation during Immediate Provisionalization in the Aesthetic Zone”
- Dr. Michelle Torres “Where is Perio-Pros Today?”

FAP

## AAP Trustee Update

The AAP held a very successful annual meeting this past October in Vancouver. Next years annual meeting is scheduled for November 2-5 in Chicago. Start keeping an eye out for news about this upcoming meeting. Elections for AAP positions will be coming up in 2019. Engagement and voting is very important and in the past Florida (and all of District 3) has had good turnouts for this. So let's keep this record up. If you have any questions about the issues or candidates in this upcoming elections your trustees and FAP officers are available to provide advice and assistance.

Remember to pay your dues and thanks to by-laws changes that were recently voted on, the ability to pay monthly with a credit card is now available.

Thank you, Bob Churney

# TAKE CONTROL

OF CONTROLLED SUBSTANCES

## Required Course

As required by the Legislature under Section 456.0201, Florida Statutes, each prescribing practitioner who is registered with the United States Drug Enforcement Administration is required to take a board approved continuing education (CE/CME) course (unless the practitioner is already required to complete such a course under his or her practice act).

The following practitioners must complete the CE/CME course by January 31, 2019, if they have a DEA number. The chart below indicates when you must complete the CE/CME course for the first two times. After that, you will need to complete the course during each subsequent renewal period.

Go to [www.cebroker.com](http://www.cebroker.com) to search for your profession's board-approved courses.

### Profession

### Required Course Completion Date

Allopathic Physician (Group 2)	Course must be completed by January 31, 2019 and again by January 31, 2021.
Certified Optometrist	Course must be completed by January 31, 2019 and again by February 28, 2021.
Allopathic Physician (Group 1)	Course must be completed by January 31, 2019 and again by January 31, 2022.
Dentist	Course must be completed by January 31, 2019 and again by February 28, 2022.
Osteopathic Physician	Course must be completed by January 31, 2019 and again by March 31, 2022.
Podiatrist	Course must be completed by January 31, 2019 and again by March 31, 2022.

## Indicate if you are registered with the U.S. DEA

1. Visit our secure "Online Services" website: <http://www.flhealthsource.gov/mqa-services>
2. Do you already have an account?
  - a. Click "Yes" and log in using your MQA Online Services user ID and password
  - b. Click "No" and follow the instructions provided to complete your one-time account registration
3. Once logged in:
  - a. Go to the "Manage My License" Section
  - b. Select "Add/Change DEA Registration" in the dropdown list and follow the instructions to indicate if you hold a current registration with the U.S. Drug Enforcement Administration
    - i If you are using the DEA registration of an institution or supervisor and do not have an individual DEA registration
      - Indicate that you are not registered with the DEA
    - ii If you hold a current individual DEA Registration
      - You MUST provide your DEA number
    - iii If you do not have a current individual DEA registration
      - Indicate that you are not registered with the DEA
