

FAP News

SUMMER 2022

President's Message

Wow does time fly! Just a brief reminder of the upcoming FAP 2022 Summer Meeting. The eye-catching meeting flyer has been mailed to you. The Margaritaville Resort Orlando is a great family destination and you should consider bringing the family to enjoy. Make sure you register (form inside) and book your accommodations soon to lock in those great meeting rates. Visit the FAP website, www.floridperio.org for more meeting and hotel information.

On Friday, August 12, Dr. Daniel Becker will cover the "Essential Principles for Procedural Sedation". As has been my experience in the past, he has a no-nonsense practical approach to conscious sedation. Interjecting humor and real-life experiences throughout his lecture while fine tuning your thought processes in moderate conscious sedation.

On Saturday, it will be my distinct pleasure to have Dr. Scott Froum present "Challenges in the Anterior Esthetic Zone: Implants, Teeth & Gingiva" for a full day lecture. The morning session will cover the importance of hard and soft tissue architecture around implants. Then in the afternoon, natural teeth and the gingival complex will be discussed. As chief editor of the online journal **PerioImplant Advisory**, Dr. Froum has a great repertoire of practical and insightful techniques for dealing with anatomic architectural complexities and complications. This will be demonstrated by the cases reviewed.

Lastly, in keeping abreast of current board actions and changes to rules. The following rule 64B5-16.006 (6)(g) remediable Tasks Delegable to a Dental Hygienist is being modified to allow Administration of nitrous-oxide oxygen to American Society of Anesthesiologists (ASA) Category I – III dental patients under Indirect Supervision, provided the Dental

Outstanding Dental Student Awards

Nova Southeastern University

Congratulations to Carly Grimison, recipient of the FAP's 2022 Student Award recognizing her outstanding achievement in didactic periodontology. (L-R)

Tanya Farfan, Dental Hygiene Director, Dr. John Virag, Pre-doc Perio Director, **Carly Grimison**, Dr. Saynur Vardar-Sengal, Chair, NSU Dept. of Periodontology, and Dr. Marela Garcia, Faculty.

University of Florida

Congratulations to Natalie Williams, the UF recipient of the FAP 2022 Student Award.

(L-R): Dr. Karin Schey, Clinical Assistant Professor, Dr. Poliana Mendes Duarte Reis, Clinical Associate Professor, Dr. Ikramuddin Aukhil, Chair and Professor, Dr. Wagner Duarte, Perio Graduate Program Director, **Natalie Williams**, Dr. Tsuyoshi Tanaka, Perio DMD Program Director, Dr. Jia Chang, Assistant Professor, Dr. Cecil White, Adjunct Clinical Associate Professor, and Alline Teles, R.D.H., Instructor

Both award recipients were also presented a \$500.00 check from the Florida Association of Periodontists.

FAP 2022 Summer Meeting Information

Friday, August 12, 2022

Dr. Daniel Becker
1:00pm-5:00pm • 4 CEUs

Essential Principles for Procedural Sedation

Description: The essentials for the safe and effective use of moderate sedation include medical evaluation, pharmacological principles, patient monitoring and team knowledge in recognition and management of sedation-related complications. These essentials will be reviewed, and their significance illustrated using case studies.

Topics:

- Medical Evaluation
- Pharmacological considerations
- Patient Monitoring
- Sedation-related Complications

Objectives:

- Explain essential components for medical assessment including an abbreviated physical assessment.
- Describe the appropriate use of various drug classes useful for providing sedation, including differences in single drug versus multiple drug regimens.
- Describe appropriate monitoring of perfusion, ventilation, and oxygenation
- Describe recognition and management of related complications.

This course will meet the biennium requirements for a conscious sedation permit

CORPORATE FORUMS

Saturday, August 13
8:00am-8:55am • 1 CEU

Scheduled:

Speaker/Topic: Dr. Irina Dragon – Unlocking the Potential of Soft Tissue Alternatives

Sponsored by Geistlich Biomaterials

Dr. Rick Miron/Dr. Nate Estrin – Uses of StellaLife in Periodontology

Sponsored by StellaLife

Dr. Andrea Ravidá - Increasing Predictability of Soft and Hard Tissue Regeneration Utilizing rhPDGF

Sponsored by Lynch Biologics

Saturday, August 13, 2022

Dr. Scott Froum
9:00am – 4:00pm • 5 CEUs

Morning Lecture:

Challenges in the Anterior Esthetic Zone: Implants, Teeth & Gingiva

Morning Session: Implants

Although advances in implant esthetic dentistry have been continuing to develop, complications still occur. Esthetic compromise including pink porcelain, prosthetic misfit, unesthetic restorations and patient dissatisfaction are a daily occurrence. The result of poor implant treatment planning can be mechanical failure and/or biologic failure ultimately resulting in financial failure. This course will review proper placement protocols and strategies for when ideal placement is not an option.

Educational Objectives:

- Discuss proper 3-dimensional implant placement.
- Discuss the compromise made when ideal placement is not an option.
- Discuss how to surgically replace compromised implants in the esthetic zone.

Afternoon Session: Teeth and Gingiva

Ideal outcomes in the anterior esthetic zone often requires tissue grafting to complement cosmetic restorative dentistry. Invasive grafting with traditional surgical techniques and materials can often lead to recession and esthetic defects. Advances in biomaterial and non-invasive surgery has given the clinician the ability to predictably augment deficiencies while not creating esthetic problems. This course has an aim to teach the participant atraumatic extraction, minimally invasive hard and soft tissue grafting, and review the latest biologic materials available.

Educational Objectives:

- Learn techniques to carefully remove teeth.
- Learn the available non-invasive surgical hard and soft tissue techniques.
- Discuss bio-promotive material available.

**Thank you to Speaker Sponsor:
Geistlich Biomaterials**

FAP Member Dr. Jolene Paramore Awarded

From the ADA News – April 11, 2022

Congratulations to **Dr. Jolene Paramore** for receiving the first ADA Excellence in Action for Dental Health Award. Dr. Paramore was spotlighted for her tireless efforts to improve oral health of her fellow Floridians. This award was presented to her by the ADA Council on Advocacy for Access and Prevention. She was honored during the ADA Dentist and Student Lobby Day in Washington.

Dr. Paramore is a past FDA President and took data from the FDA's Foundation's FLA-MOM events and shared with lawmakers to help them better understand the oral health needs of their citizens. This information was used by the FDA to encourage legislators to increase their support for FLA-MOM and other programs supported the FDA Foundation.

Join Dr. Paramore for the next FLA-MOM, February 24-25, 2023, see back cover.

FAP

AAP Voting is Open!

The American Academy of Periodontology (AAP) election is in full swing and voting is now open. By now, you should have received an email or pamphlet from the Academy with directions on how to cast your vote. It is vitally important that you exercise your right to vote. Let your voices be heard! We (Florida) always rank amongst the most engaged districts in the AAP with regard to percentage of members voting. Let's keep that trend going! Please take the time to vote before the end of June. If you have questions about the election and/or a candidate's qualifications, feel free to reach out to one of your AAP representatives.

Information on candidates can be found at: [AAP Election Slate - American Academy of Periodontology](https://www.perio.org/aap-election-slate/) or <https://www.perio.org/aap-election-slate/>

Your local AAP representatives are:

AAP President - Christopher Richardson:
periodocusa@comcast.net Richmond, VA

AAP Secretary/Treasurer – Maria Geisinger:
miagdds@uab.edu Birmingham, AL

AAP Immediate Past President - Jimmy Wilson:

FAP Welcome Reception on
August 13, 5pm-6:30pm in conjunction with the
FAP Summer Meeting.

AAP District III Trustee Report

The Board of Trustees met May 6-7, 2022, in Austin, Texas. The following is a summary of actions.

ORGANIZATIONAL VIABILITY - Approved the 2023 Strategic Plan. Highlights include activities to enhance member value, a multi-year science strategy, and pursuit of Academy revenue diversification. The Board also approved revisions to the Administration, Governance, and Membership sections of the AAP Policy Manual. Additionally, the Workgroup to Review Governance, Constitution and Bylaws was directed to draft two amendments to the Awards section of the policy manual providing direction on how the Board selects award recipients.

AAP staff were charged to negotiate a favorable lease renewal of 737 North Michigan Avenue, Suite 800, Chicago, Illinois, 60611, to optimize cost savings and tenant benefits.

LEADERSHIP - Approved the selection of awardees for the 2022 Gold Medal, Master Clinician, Distinguished Scientist, Distinguished Service, Honorary Membership, and H. Dalton Conner Humanitarian awards. In addition, the Board approved a nominee for the ADA Norton M. Ross Award for Excellence in Clinical Research and ranked finalists of the ADEA William J. Gies Award. Proposed appointments to the 2022-2023 In-Service Examination Committee were also approved.

EDUCATION - Approved additional speakers, moderators, and courses for the 2022 Annual Meeting Program as well as the proposed 2023 Annual Meeting CE Program. Speakers and topics for Specialty Speaker Spotlight at the ADA's 2022 Annual Meeting were approved as were the speakers and topics proposed by the Academy for the 2023 International Osteology Symposium (IOS) in Barcelona, Spain.

MEMBERSHIP - Approved the Membership Value Enhancement Plan as proposed by the Membership Sustainability and Growth Committee (MSGC). The plan includes strategies to better communicate with members and provide a more robust member value proposition.

SCIENCE - Approved the Task Force on Future Science's proposed scientific strategic plan. The multi-year approach identified priority areas such as peri-implantitis, the perio-systemic link, and diagnostic technologies.

2022 ANNUAL MEETING - The meeting will be fully live and in-person taking place October 27-30 in Phoenix. Members can review the [program](#), register, and secure housing at <https://am2022.perio.org/>

AAP ELECTIONS - Active and Life Active members can vote in the 2022 election beginning June 1. Ballots will be distributed to all eligible voting members by June 1, and voting may be done electronically or by mail. Questions about the election? Contact amanda@perio.org.

ISPRD 2022 AND EUROPERIO10 - The AAP will return to Quintessence Publishing's International Symposium of Periodontics & Restorative Dentistry (ISPRD), June 9-12 in Boston. AAP staff will be on hand promoting membership and administering continuing education. In addition, the AAP will have a booth at the upcoming EuroPerio10 meeting, June 15-18 in Copenhagen, Denmark.

FIND A PERIODONTIST - The AAP's public-facing Find a Periodontist service is up-and-running. This feature is intended to connect potential patients with AAP member periodontists. All eligible members and their primary city and state will appear in search results, but members must opt in for additional information, such as address, phone number, website, etc. to populate. Please visit perio.org for more information. Questions? Contact: publicrelations@perio.org.

Florida Board of Dentistry Report

The Florida Board of Dentistry (BOD) met in Jacksonville on Friday, May 20, 2022. Dr. Susan LaMar, FAP President Elect, and Dr. John W. Thousand, IV, FAP Second Member-at-Large, attended the meeting.

The board approved removing language from the rules on the dental and dental hygiene licensure exam regarding assessing people for suitability as exam patients since Florida now accepts the non-patient-based exam. It also approved language for a new rule regarding unexcused absences from board meetings as the board did not have a rule for this previously.

In November 2021, the board unanimously approved language allowing a hygienist, with appropriate training, to administer nitrous oxide to American Society of Anesthesiologists (ASA) I-III patients under indirect supervision. Language was also approved that stated a hygienist, with appropriate training, can only administer nitrous oxide to ASA IV, special needs and previously sedated patients under direct supervision. This rule has been moving through the administrative process. The Joint Administrative Procedures Committee (JAPC) – a committee

of the Florida Legislature that reviews all rules to ensure they do not exceed statutory authority – had some questions about the safety of the administration of nitrous oxide. Ultimately, under guidance from the BOD attorney, the board approved amended language as to satisfy JAPC while still achieving the goal of the rule language passed last November. The proposed language changes the word “administer” to “assist the dentist in the initiation of nitrous oxide.”

The BOD Anesthesia Committee will be meeting in June and August (conference call) to discuss the amounts of various drugs and required equipment sedation permit holders must have in their dental office. The current rules have led to some confusion and has resulted in different inspectors requiring dentists to have different amounts upon inspection. Recent training was held with all dental inspectors to educate them about the rules in an attempt to standardize inspection procedures.

Next BOD Meeting: Friday, August 12, 2022, 7:30 a.m. in Tampa.

President's Message *(continued)*

Hygienist is in full compliance with the requirements of Rule 64B5-14.003(4)(b), F.A.C.” We will continue to monitor and provide updates as this rule modification moves forward through the Florida Board of Dentistry. I want to thank those individuals who attend the Florida BOD meeting and provide insight and updates to the FAP Executive Council.

It will be great to see everyone in person again! Nothing like camaraderie and networking face-to-face. I look forward to seeing all of you at our summer meeting.

Dr. Roger D. Robinson Jr.
2022-2023 FAP President

FAP 2022 SUMMER MEETING - REGISTRATION FORM

August 12-13, 2022 • Margaritaville Resort Orlando

Name _____ Email _____

Address _____

City _____ State _____ Zip _____ Telephone _____

– EARLY REGISTER FEES –

- _____ I am a member of the FAP. No fee for Dr. Scott Froum/Corporate Forums/FAP Business Meeting & Luncheon.
- _____ I am a retired FAP member: \$50.00 registration fee includes Dr. Scott Froum/Corporate Forums/FAP Business Meeting & Luncheon.
- _____ Non-member periodontists: \$300.00 includes Dr. Scott Froum/Corporate Forums/FAP Business Meeting & Luncheon.
- _____ Referring Dentists (must attend with an FAP Member) \$200.00 – includes Dr. Scott Froum/Corporate Forum/FAP Business Meeting Luncheon
Name of Referring Dentists: _____
- _____ All Dental Team Members (non-dentists, non-periodontists) \$35.00 – includes Dr. Scott Froum/Corporate Forums – *Lunch on their own.*
Name of Team Members: _____

Late Registration Fees from August 9-13, 2022 – Add \$50.00 to above fee schedule.

- _____ YES, I will be attending Procedural Sedation in Dental Practice, Dr. Daniel Becker Friday, August 12th.
FAP Member \$175.00; Non-Member \$325.00; FAP Member Staff \$40.00; Non-Member Staff \$90.00
